EYE INJURY

- Any eye injury is potentially hazardous . Any increasingly severe discomfort, redness or sudden impairment of vision should be immediately reported to family physician or Howden Medical Clinic.
- If your eye is patched:
 1. Your vision is now impaired and therefore you must not drive a vehicle or operate machinery.
 2. When one eye is working both eyes are working, rest quietly as much as possible to allow the healing of the injured eye.
 3. Take pain medication as prescribed.
