- In an emergency, paramedics and emergency room staff have only seconds to evaluate and give you correct treatment.
- We understand better than anyone else what information first responders need to know.
- Our Medical Profile Specialists are trained in medical terminology standards
 - We have been working with, and training, paramedics and health professionals about MedicAlert since 1961

Our Medical Profile Specialists create your detailed electronic MedicAlert Health Record. Then, based on our experience, we extract the most important information that a first responder needs to know in the critical few seconds of an emergency. This is what we engrave on your MedicAlert identification.

We speak for You

Annual Membership Fee of \$39 includes:

- MedicAlert® 24-hour Emergency Hotline Coverage:** Paramedics, doctors and nurses can call the Emergency Hotline from anywhere in the world to speak with us and access your detailed MedicAlert Health Record (translation available in over 140 languages)
- Unlimited updates** to your electronic MedicAlert Health Record
- MedicAlert wallet card**
- Special discounts** on additional MedicAlert ID purchases, custom-engraved for FREE.
